Dear Friends of PASB,

For almost 50 years, the Parkinson Association of Santa Barbara has been the **only** organization in our region solely dedicated to providing **direct services** to individuals and families living with Parkinson's Disease.

From support groups and exercise classes to education events and resources, we are here every day to help navigate the challenges of Parkinson's—not just with information, but with compassionate connection.

But we cannot do it alone.

As a non-profit, we rely entirely on the generosity of our community. Your support allows us to keep vital programs accessible and free of charge, especially for those who need them most.

Please consider making a tax-deductible gift today to ensure that no one in Santa Barbara faces Parkinson's disease alone. Every donation—large or small—makes a meaningful difference.

Together, we can bring hope, strength, and support to those affected by Parkinson's right here at home.
